

2025 AWARE CHARITY GOLF SCRAMBLE RULES

#1 In a scramble, each player hits a drive, the team then selects the best shot, and all players hit from there. This process is repeated until the ball is holed and, on each hole, thereafter.

#2 The ball may be marked lifted cleaned and placed within one club length of its original position, no closer to the hole. The team must maintain the integrity of the lie. If the ball lies in the rough, it must stay in the rough, etc.

#3 Once the ball is holed, no additional putting will count. Do not tap in your ball after missing a long putt. A ball in the cup means finished play on that hole for the team and the team must record their score accordingly.

#4 The team must use each player's drive a minimum of one time per nine holes. The team captain is responsible for keeping track of drives used and for keeping the official scorecard. Turn your cards in at the end of the tournament for tabulation.

#5 In the event of a TIE, the USGA tiebreaker system will be used.

#6 Mulligans may not be used to claim hole-in-one prizes.

#7 Official scoring will be through Golf Genius. Please, download the app and enter your GGID on your scorecard. Please keep your paper card to verify your score.

Mulligan Rules: \$10 each, max two per player – If you purchased a mulligan(s) at registration below is how to play it. A mulligan is a "do-over." Hit a bad shot? Take a mulligan and simply replay that stroke. The mulligan can be used at any time during the game. You may use a mulligan **ONCE or TWICE, depending on how many you PRE-PURCHASED. A maximum of two mulligans** per player are permitted. Please turn in your ticket(s) when finished golfing.
